FOOTNOTE – SOME IMPORTANT INFORMATION

There are some items of information that I currently understand to be fundamental and important truths that I would like to share for your consideration.

These items are NOT applied or discussed in the material catalogued above.

Over the years my understanding has evolved. This understanding may further evolve in time and may currently still contain error. You are therefore encouraged to seek the Almighty for guidance in all of what follows.

1. As far as i can determine the most accurate name for the Almighty is "Yah". "Yah" is the essential name of the Almighty creator of the heavens and earth.
2. The Hebrew word widely translated "THE LORD" or "Yahweh" or "Yahooeh" or "Yahueh" is more accurately translated as "Yah the eternally self existing".
3. The Hebrew word widely translated "God" or "Elohim" means "mighty one" or "Almighty" depending on context.
4. The name widely translated "Jesus" is more accurately translated "Yahooshua" or 'Yahoosha" which means "Yah is salvation".

5. There are several Greek words widely translated "Christ" which would more accurately be translated as "the anointing of the Spirit of the Almighty / Yah", "the anointed of the Almighty / Yah", etcetera.
6. The Greek word widely translated "cross" actually means "stake" and refers to an upright post or tree trunk used as an execution instrument.
7. The word "Bible" actually means "book" and has no particular significance other than this.
8. The book commonly known as "The Bible" is a collection of writings that have been transcribed by human beings and in its current versions contains errors of transcription and errors of translation and is compiled from multiple ancient source documents that do not all agree.
9. Many of the items in the compilation of books known as "The New Testament" were almost certainly originally written in Hebrew or Aramaic and NOT Greek.
10. The compilation of writings in the book known as "The Bible" were written by human beings inspired by the Spirit of the Almighty BUT are not necessarily all 100% inspired and some of them contain contradictions or errors – it is up to each of us to seek the Almighty for guidance in interpreting and applying these writings.
11. The man known as "Jesus Christ", that is "Yahooshua the anointed of Yah", was a man filled with the Spirit of the Almighty NOT the Almighty in the flesh and he was resurrected as a legal consequence of living a sinless life NOT as a consequence of any divinity on his part. He accomplished a sinless life because as a spirit being prior to his birth as a human being he had served the Almighty as the first created being for a considerable time and therefore knew intimately the spiritual laws and the Kingdom of Heaven as he taught and applied them during his life on earth. His accomplishment makes it possible to seek to live a life like his in the knowledge of his humanity.
12. I am human and fallible and therefore I share the above for your prayerful consideration to make your own choices about.

Please take account of these factors in considering all teachings that you encounter no matter who gives the teaching.

Warm regards and blessings

James Robertson
