* In this document the Name "Yah" is used. This is an accurate translation of the Hebrew Name of the Father which is commonly translated "the LORD" which is actually a translation of the word "Baal". "Yahshua" is used for the word that is commonly translated "Jesus" which is an inaccurate Anglicisation of Greek where Yahshua was a Jew. This also reflects the play on Hebrew words that "Yahshua is the yeshua (deliverance / salvation) of Yah". "Adonai" is used instead of "Lord" to remove confusion between the two uses of the word "Lord" in common English usage. "Mighty One" or "Yahweh", as appropriate, is used instead of "God" which is the name of a Germanic pagan deity. "Anointing", "Anointed One" or "Anointing of the Set Apart Holy Spirit of Yahweh" is used instead of "Christ" since this is what the Greek word translated "Christ" refers to, "christos" is NOT a title it is a technical term meaning "anointed". The word "stake" or "tree" is used instead of "cross" as the word commonly translated "cross" in Greek in fact means "stake". Yahshua was impaled or hung on a stake or tree, NOT crucified on a cross. We are firmly persuaded that the usage of these terms is more pleasing to our Heavenly Father, Yahweh Adonai our Mighty One and to Yahshua the Anointed Salvation of Yahweh and encourage others to adopt these conventions. More detail on page 12.

WHAT ARE THE CRITICAL SUCCESS FACTORS FOR MARRIAGE IN THE FAITH

No Factor

- 1** YAH FIRST (HEART, MIND, SOUL AND STRENGTH): man and woman are believers, accept Yahweh as supreme and final authority, by His Word and by His Spirit
- 2** YAH LEADS (EVERY MICRO SECOND IN EVERYTHING): Seek a clear sign. Yahweh ALONE decides if the man and woman are to marry and when. It is His decision. He knows all there is to know about the parties and He is NOT surprised by their sins, their errors, their past, etc. Let Him guide approach, discussion, etc.
- 3** SEX IS SPIRITUAL AND SACRED: Sex is the essence of marriage and the symbol of the marriage covenant. The marriage bed is undefiled and everything that husband and wives can do sexually WITHIN the marriage is of Yahweh and blessed by Him. Frank recognition of the importance of sex BEFORE marriage. Seven full days for consummation with undisturbed, uninhibited, giving, sexual love making concurrent with initial sanctification. Ongoing passionate, uninhibited, giving, love making throughout the marriage.
- 4** MAN IS HEAD (LEADS AND GIVES DIRECTION FROM YAHWEH): Husband must seek guidance from Yah, conform to pattern given by Yahshua, unconditional chesed {love} of wives, lay down his life, accountable and responsible for ALL sin of his house by wives in submission, responsible for doctrine, leadership, direction, prophet, priest and king.
- 5** WIVES IN PERFECT HARMONY WITH HUSBAND: Submit to husband in everything, actively desire, reverence and chesed {love} unconditionally, adapt to and conform to husband, not responsible for husband's sin, will be judged in terms of submission, reverence, desire, chesed for husband, especially giving love making. Build the house, promote husband spiritually through intercession, etc. Proverbs 31 wife - strong in support of her husband in all his endeavours. Unify the house, work together as team in a partnership led by Yahweh through husband. Sing same song as husband from same song book, to same tune, by same orchestra, in same key - perfect harmony!
- 6** HOLINESS AND SANCTIFICATION (SET APARTNESS): Systematic and comprehensive sanctification and spiritual cleansing of all 'baggage' i.e. one flesh bonds, soul ties, wrong promises, soul force, inner vows, wrong teaching, hardening of heart, deliverance from demons, etc. Commence at start of consummation, continue in parallel with seven day consummation, completion on eighth day. Thereafter continuing sanctification, cleansing, healing, etc as necessary to eliminate all past spiritual, emotional, psychological and other hurts, contamination, etc. Complete spiritual healing.
- 7** OTHER ASPECTS OF LIFE (WORK, FAMILY, FINANCES, RELATIONSHIP, ETC): Get to know one another, develop relationship, agree on doctrine, social background, hobbies, interests, likes and dislikes, assumptions, expectations, what people think, legal requirements, past, quirks, bad habits, finances, house, cars, possessions, acceptance, etc, etc

**CRITICAL OPERATIONAL FACTORS:
THE HUMAN FOUNDATION - PERSONAL ATTRIBUTES WHICH SHAPE THE
HUMAN ENVIRONMENT FOR MARRIAGE AND LIFE**

Marriage and life are founded on the human beings who participate in them.

The whole of creation is ultimately focussed on the role of human beings as we walk out the test that we have been given to see who will serve Yahweh faithfully, overcome and sit with Yahshua on a high throne for eternity and who will serve elsewhere in heaven versus who will burn in the Lake of Fire and Brimstone for eternity.

Human beings are complex spiritual creations in complex physical bodies with soul and emotions, mind and will, physical attributes, sexuality which is an enormously complex synthesis of everything else, soft knowledge and hard knowledge.

While we live and work primarily in the environment shaped by our hard and to a lesser extent soft knowledge, we and the lives we lead, are in fact shaped by our spirits and who we become during our lives as a consequence of life events, demonic oppression, generational curses, etc, etc

Man comprises spirit (heart), soul, mind and body - Mark 12:30; Luke 10:27; Matthew 22:37.

Second Dimension Factor

A SPIRIT: All spiritual attributes of the person as a spirit being (faith, chesed {love}, hope, patience, wisdom, etc); plus spiritual Revelation of the Word of Yahweh and of Yahweh Himself; plus all spirit's that operate on human beings - the Set Apart Holy Spirit of Yahweh, the seven Spirits of Yahweh (including wisdom, patience, hope, faith, chesed {charity / love}, etc); the spirits of other human beings - one flesh bond between husband and wives and with adulterous partners, witchcraft, desire, lust, etc; plus messengers from Yahweh and Satan (angels and fallen angels); plus demons (lust, perversion, fear, pride, rejection, heaviness, murder, suicide, death, intellectualism, etc, etc); plus generational and family curses and third party curses and own curses, etc.

We are first and foremost SPIRIT BEINGS and the essence of what manifests in the visible, tangible realm is from spirit origins even though we focus so much on the other attributes.

B SOUL: All soulish attributes of the person, personality, psychology, emotions, soul force objects (life shocks, inner vows, soul force prayers, death wishes, etc)

C MIND: Intellect, IQ, cognitive reasoning, analytical ability; plus sub-conscious programming, learned responses, imagination, creativity, passive mind, etc

- D** BODY: Physical human being - spirit, soul and mind manifest through the physical body in many respects. Physical attributes, height, colour of hair, weight, strength, beauty, etc
- E** SEXUALITY: In essence a synthesis of factors A to D and not necessarily a separate factor. However, in the context of marriage and in the context of defining how people relate to one another and how they conduct themselves in many ways, Yahweh insists that sexuality is a SPECIFIC personal attribute which defines the person. Yahweh says that this is the specific attribute of being a human being that Satan has most savagely and most effectively perverted through the ages because it more than ANY other attribute has been given to enable us to understand Yahweh!
- F** SOFT KNOWLEDGE: Head knowledge of relatively intangible things, relates to culture, religion, upbringing, superstitions, traditions, history, language, religious instruction (mind knowledge of Scripture as opposed to spiritual revelation knowledge in the spirit of the person), etc. Much soft knowledge is in fact subjective and in many cases is actually only valid when viewed from a certain perspective, much of it is actually error and deception in the areas of religion, history, archaeology, etc or demonically based in the case of religion, tradition, etc
- G** TECHNICAL KNOWLEDGE: Head knowledge of relatively HARD things. Things that are readily verifiable including many aspects of physics, chemistry, engineering, geology, astronomy, etc - note that there is NOT a clear distinction between this factor and the previous factor, a lot of what is taught as fact in biology (evolution), archaeology, etc which appears to be hard fact is actually soft and subject to change.

WORKSHEET : CRITICAL STAGES OF MARRIAGE

| No | Factor Scoring | Seque nce | Elapsed Time |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|-------------------------------------------------------|
| A | Serving Yahweh - may or may not know one another, no intention to marry | 1 | Years (man, preferably at least 5 to 10) less (woman) |
| B | Yahweh indicates to one; prepare; approach other person; agree to pray and seek confirmation from Yahweh. Agree principles set out in this document | 2 | Hours to months (preferably weeks at most)* |
| C | Clear confirmation or sign obtained by both parties from Yahweh, agree it IS His will | 3 | Hours to days (preferably a week, or two at most)* |
| D | Preparation, discuss key aspects, especially regarding sex, minimum only. Arrange facilities, leave, etc | 4 | Hours to days (preferably less than a week)* |
| E | Basic sanctification, cut off one flesh bonds, vows, soul ties, basic cleansing; consummate marriage for seven consecutive days and complete sanctification on eighth | 5 | Eight days full time or 14 days part time* |
| F | Adjustment, building, ongoing sanctification, discussion, teaching, learning, mistakes, recovery, ongoing review and adjustment | 6 | One to ten years (if diligent closer to 1 than 10) |
| G | Established, stable, successful marriage - Heaven on earth | 7 | Rest of lives |

Notes:

- * 1 The man should be actively in the faith at least five years and preferably ten or more years in order to be sufficiently spiritually mature for the woman to readily submit to him.
- * 2 In some respects it is not material how long the woman has been in the faith, provided she has made a REALLY SOLID commitment to serve Yahweh. A woman who has just been dramatically saved may be a lower risk than a woman who has been luke warm for years and never had a major encounter with Yahweh. A woman who is mature in the faith may have great difficulty permitting her husband to come to the front.
- * 3 If there is such a thing as a "best time" in the faith, at least seven years from a serious commitment, or serious increase in commitment, on the part of the man is time for preparation is very dependent on individual circumstances. If the woman has to move from another country, it may run to weeks or months, if the man is already married and his other wife / wives can assist, preparation may only be a few hours, if a young virgin time may be required by her parents to prepare her, there are many factors. However, under the present spiritual dispensation every effort should be made to keep delay between a firm confirmation by Yahweh and consummation to an absolute minimum. There is no spiritual reason to delay.

| Notes: | | *1 | This is NOT the effort required to put Yahweh first, or to be led by Yahweh, or to succeed in business, or ministry, or whatever. It is the EFFORT TO MAKE THE MARRIAGE WORK! It relates primarily to active CREATIVE thought, taking the initiative to enter into conversation, resolve difficulties, etc - it is not physical effort to do things which are commonplace and which the person concerned has been trained and prepared for throughout their lives. We are groomed for the basics of life from the start, we are NOT groomed for the basics of Yahweh's form of marriage in this current age, that is where the EFFORT lies. | | | | | | | | | | | | | | | | | | | |

CF2 HUMAN FOUNDATION STAGES : ADAPTABILITY TO CHANGE VERSUS AGE

TIMELINES FOR STAGES OF MARRIAGE AGAINST STAGES OF ADAPTABILITY OF WIFE (AGE) FOR HUMAN ATTRIBUTES (COF'S) FOR VARIOUS CONDITIONS AT TIME OF CONSUMMATION

YAHWEH'S REFERENCE (RECOMMENDED) CONDITION = YAHWEH BROUGHT THEM TOGETHER, HUSBAND IS MATURE, SANCTIFIED BELIEVER, SUBMISSIVE WIFE WHO REVERENCES, DESIRES AND CHESES UNCONDITIONALLY, HUSBAND AT LEAST SEVEN YEARS OLDER THAN WIFE, STRONG CONSUMMATION WITH STRONG ONE FLESH BOND AND STRONG SANCTIFICATION AT TIME OF MARRIAGE; VIRGIN AT PUBERTY IS YAHWEH'S INTENDED BRIDE AND THEREFORE FRAME OF REFERENCE

MARRIAGE CRITICAL STRATEGIC FACTOR STAGE IDENTIFICATION:

M1: NO INTENTION TO MARRY; M2: YAHWEH INDICATES; CONTACT; AGREE PRINCIPLES; SEEK GUIDANCE; M3: CLEAR CONFIRMATION; M4: PREPARATION; M5: CONSUMMATION AND SANCTIFICATION; M6: ADJUSTMENT AND BUILDING; M7: STABLE MARRIAGE - HEAVEN ON EARTH

POSITIVE CRITERIA: For a strong marriage with rapid adjustment at any age of wife: Yahweh brings together, husband a mature believer strongly sanctified, wife submits readily in EVERYTHING and reverences, cheses, and desires willingly, age gap between husband and wife at least seven years, strong consummation with powerful one flesh bond from the start, strong sanctification of wife at time of consummation. Virgin at puberty is Yahweh's intended bride and therefore frame of reference - all wives should conduct themselves as pure, submissive virgins.

NEGATIVE FACTORS: For a weak marriage with long adjustment or no adjustment at any age of wife: Yahweh does not bring together, husband an immature believer not strongly sanctified, wife is rebellious / not submissive, does not reverence, does not desire, does chesed (love) is conditional, age gap less than seven years, weak consummation with weak one flesh bond, little or no sanctification of wife at time of consummation

Note that these graphics BRACKET two extreme conditions indicating that if all the negative criteria are met, Yahweh expects adjustment to take ten hard years of determined effort which may still not produce the desired result (Heaven on earth) whereas, if all the positive criteria are met Yahweh expects full adjustment in one year and Heaven on earth thereafter.

1. WHAT ARE THE CRITICAL SUCCESS FACTORS FOR PUTTING YAH FIRST IN LIFE

- 1.1 DECISION AND RELATIONSHIP:** Accept Yah as Mighty One & Adonai through Yahshua's Covenant Sacrifice, choose to serve and chesed Him with heart, mind, soul & strength; constantly affirm decision & reinforce; recognize our own weaknesses & ask for His guidance in our lives, seek His Face, spend time with Him, grow in faith, etc
- 1.2 WORSHIP AND COVENANT:** Praise and worship and regular celebration of the covenant and claiming of the covenant promises by faith
- 1.3 INTERCESSION:** Intercession, prayer in the Holy Spirit (tongues), prayer against principalities, powers, etc, prayer for the Body of believers and for own needs.
- 1.4 GAIN KNOWLEDGE AND UNDERSTANDING:** Daily Bible reading, read teachings, listen to teaching tapes, watch videos, attend meetings for teaching, gaining revelation
- 1.5 SET APART AND ANOINTED:** Consecration, sanctification, setting oneself apart, adjustments in life style, etc. Seek death to self (Galatians 2:20) and seek to be totally anointed and filled with the Holy (Set Apart) Spirit of Yahweh. Walk in the authority of the anointed believer.
- 1.6 BUILD A STRONG MARRIAGE:** Virtually ALL women should be married and virtually no men should be single or monogamous - marriage is the fundamental basis of life on earth that Yahweh has appointed for people to serve Him. As many wives as Yahweh appoints.
- 1.7 HIGH CALLING:** Seek to do the works that Yahshua did and greater works, seek the high calling and follow it whether in commerce, industry or ministry.

2. WHAT ARE THE CRITICAL SUCCESS FACTORS FOR BEING LED BY YAH

- 2.1 PRAYER IN FAITH WITHOUT DOUBTING:** Ask constantly each step of the way for directional guidance and confirmation. Ask and you will receive, knock and it will be opened unto you.
- 2.2 MOVE FORWARD:** Trusting Yahweh for guidance, it is very difficult for Him to guide us when we are standing still refusing to move until He gives direction
- 2.3 ASK FOR POSITIVE, ACTION ORIENTED DIRECTION:** Trust Him to guide through small directional adjustments far more than large make or break actions.
- 2.4 SIGNS (FLEECES):** Where necessary ask for explicit supernatural signs

- 2.5 LISTEN: Hearing His voice is only one component of being led by the Spirit of Yahweh. Sanctification to cleanse ears of the spirit is vital.
- 2.6 READ THE SIGNS CORRECTLY: Be sensitive & discerning. Read signs, monitor every little event for His gentle guiding hand and flow with Him. His yoke is easy - go with the flow. Do NOT force closure or opening of doors but do not force through when He is opening or closing. Do not make assumptions, do NOT jump to conclusions.
- 2.7 WALK IN FAITH: As long as you are praying constantly for guidance, are being sensitive and discerning with regard to doors opening and closing, etc believe that He has heard and is directing. Avoid presumption.

3. WHAT ARE THE CRITICAL SUCCESS FACTORS FOR SEX AT CONSUMMATION AND THROUGHOUT MARRIAGE

- 3.1 SPIRITUALLY PREPARED: Intercession in days before, prayer together to commit the marriage to Yahweh, specific COVENANT CEREMONY, accept that sexual lovemaking is spiritual, build house, build one flesh bond, build chesed {love}, soul ties, etc
- 3.2 KNOWLEDGE: Husband detailed theoretical knowledge of sexual techniques, positions, etc (or practical if already married), wife at least a basic knowledge and acceptance of sexual techniques, positions, etc no prohibitions unless serious past life shock factors
- 3.3 FACILITIES: Quiet venue, nice room, nice bed, en-suite bathroom, no distractions, lubricants, massage oils, etc
- 3.4 ALL DAY TO DAY CARES TAKEN CARE OF: Children, work, pets, housework, plants, etc so no interruptions, concerns, etc (especially a woman with children)
- 3.5 WIFE DESIRES AND PREPARED: Wife filled with desire, open sexually, ready for husband, gives totally no holding back, prepares herself, does small things to please her husband, dress, make up, hair, etc, actively responds
- 3.6 HUSBAND LEADS: Considerate but takes the lead and guides wife, no rush, spend time talking, caressing, etc
- 3.7 CLEAR FOCUS ON DESIRED OUTCOME: Systematic and deliberate cooperative effort to reach full sexual potential and as many orgasms as possible, seek but do not demand simultaneous climax

4. WHAT ARE THE CRITICAL SUCCESS FACTORS FOR MAN AS HEAD OF HOUSE

- 4.1 COVERING: Covers wives and children against all sin committed in submission to him, takes demons from wives at consummation of marriage

- 4.2 PROPHET: Guided by Yahweh and provides guidance to his wives and family in terms of direction, correction, etc given by Yahweh
- 4.3 PRIEST: Directs ministry to Yahweh and ministers to family on behalf of Yahweh in areas of sanctification, ministry of sacraments, leading in prayer, initiating praise and worship, etc
- 4.4 KING (JUDGE): Defines the rules of conduct of the family, based on Torah, as led by Yahweh, resolves disputes between wives, between children, disciplines children, corrects wives, ensures Yahweh's standards of righteousness and justice are adhered to in the family
- 4.5 LEADER: Sets direction of family in all things, goes in front, "path finder"
- 4.6 TEACHER: Teaches wives "at home" in areas of doctrine, the faith, etc and teaches children in areas where wives can't teach - overall high level doctrine, etc
- 4.7 PROVIDER: Through relationship with Yahweh procures sources of income of whatever type through ministry, commercial enterprise, etc - wives empowered to trade on his behalf under his overall direction and guidance, may execute, administer, supervise much of the work

5. WHAT ARE THE CRITICAL SUCCESS FACTORS FOR WIVES IN PERFECT HARMONY

It is extremely important to recognize that ALL these factors MIRROR how the husband should relate to Yah!

- 5.1 REVERENCE IN EVERYTHING: notices, regards, honours, prefers, venerates, esteems, praises and admires her husband exceedingly - in an earthly sense worship her husband (Ephesians 5:33 AMP; 1 Peter 3:2 AMP)
- 5.2 CHESED UNCONDITIONALLY: endure long, patient and kind, never envious nor boils over with jealousy, not boastful or vainglorious, not display haughtily, not conceited, nor arrogant nor inflated with pride, not rude nor unmannerly, does not act unbecomingly, does not insist on own rights, nor own way, not self seeking, nor touchy nor fretful, nor resentful, no account of evil done, pays no attention to suffered wrong, not rejoice at injustice, nor unrighteousness, rejoices when right and truth prevail, bears up under anything and everything that comes, ever ready to believe the best of every person, hopes are fadeless under all circumstances and endures everything without weakening, chesed never fails, nor becomes obsolete nor comes to an end (1 Corinthians 13:4-7 AMP)
- 5.3 SUBMIT IN EVERYTHING: as Yahshua submitted to them that unjustly condemned him to torture and death even though there was no sin nor deceit nor guile found in him, who being reviled reviled not in return, who when he was abused and suffered made not threats of vengeance but trusted Yahweh in everything, that

even if her husband does not obey the Word of Yahweh he may be won over without a word by the conduct of his wives (1 Peter 2:13- 3:2 AMP)

- 5.4 **DESIRE:** sexually crave her husband (Genesis 3:16 AMP) and constantly focus on him sexually, seek to be constantly united with him and become totally one with him. Seek to express her reverence, chesed and submission in skilled and giving love making with no holding back.
- 5.5 **KNOW HUSBAND'S WILL AND DO IT WITHOUT INSTRUCTION:** See herself as fully empowered agent of her husband with his authority to perform all activities in his name and on his behalf in accordance with his will as communicated to her. Only seek guidance from him when she is unsure, else "get on with the job" but ask for guidance at any time she is unsure and, if she misses it, take note and make the necessary adjustments to "get it right" in future
- 5.6 **INSTANT, UNQUESTIONING OBEDIENCE:** the full manifestation of reverence, unconditional chesed and submission should bring about a condition in which she does everything asked of her immediately it is asked without argument. Seek clarification where necessary. Obedience delayed or partial obedience is NOT obedience it is disobedience and rebellion. This requires a strong one flesh bond which is the product of intense desire.
- 5.7 **HARMONY IN THE SMALLEST THINGS:** true symphonic harmony requires that the wife is perfectly in tune with her husband in EVERYTHING, she should flow with his least significant indication of preference, whether in terms of food, clothing, hair style or any other aspect, he should not have to ask, she should discern his will in all things and derive her greatest pleasure from pleasing him in all things as an act of willing love, an expression of her reverence and desire for him, she will then sing exactly the same song from the same song book with the same music, the same instruments and in exactly the same key, at this point ALL their prayers will be instantly answered (1 Peter 3:7; Matthew 18:19 AMP; Matthew 12:25) This requires a very strong one flesh bond which is the product of intense desire.

6. WHAT ARE THE CRITICAL SUCCESS FACTORS FOR HOLINESS AND SANCTIFICATION (SET APARTNESS) AT CONSUMMATION

- 6.1 **BASIC PRINCIPLES OF THE FAITH:** The Blood of Yahshua, prayer, faith, authority of believers in the Name of Yahshua, etc
- 6.2 **KNOWLEDGE, TRUTH, REVELATION:** Recognize wrong beliefs, repentance, forgiveness, etc - includes wife accept headship of husband
- 6.3 **SANCTIFICATION PROCEDURES:** Deliverance, immersion, anointing, sackcloth and ashes, bread and wine, husband taking demons, etc
- 6.4 **HISTORICAL -- PREVIOUS GENERATIONS:** Bloodline curses, demons, vows, etc

- 6.5 HISTORICAL -- THIS LIFE, SEXUALLY RELATED: One flesh bonds, soul ties, associated demons, etc
- 6.6 HISTORICAL -- THIS LIFE, SOULISH: Soul hurts, death wishes, inner vows, life shocks, wrong words, curses, wrong vows, passive mind, will, etc
- 6.7 HISTORICAL -- THIS LIFE, DEMONIC: Demons, demonic objects, roots of rejection, etc

7. WHAT ARE THE CRITICAL SUCCESS FACTORS FOR OTHER ASPECTS OF LIFE

- 7.1 SERVICE TO YAHWEH (RELIGIOUS INVOLVEMENT): Religious / denominational affiliations and beliefs, doctrine, church affiliation, ministry involvement, etc. This is distinct from the spiritual, relationship with Yahweh issues addressed in the other 6 CSF's. This relates to activities, "church" attendance, ministry, etc - what the parties do in the service of Yahweh OVER AND ABOVE their relationship with Him. It is important to understand that service to Yahweh is DISTINCT from our relationship with Him and His guidance of us. This factor is ALSO DISTINCT from full time ministry as primary occupation which is included in factor 7.3
- 7.2 FAMILY: existing family members, children, parents, expectations in terms of children, number of wives, etc. This relates to all aspects of family life OVER AND ABOVE the aspects of husband - wife relationship, etc dealt with in the other six CSF's. This is the way of life in the family, the raising of children, home, public or private schooling, etc
- 7.3 OCCUPATION = CALLING (BUSINESS / COMMERCIAL / MINISTRY / EMPLOYMENT): qualifications, profession, type of work, self employed or nature of employment, job security, job status, etc. This relates to who the husband works for (bear in mind that Yahweh has indicated that the wife should always work with and for the husband if she is not permanently at home running the home, raising children, etc). Includes academic and professional qualifications, etc. Includes people who are in FULL TIME ministry in service of Yahweh - again distinct from their relationship to Yahweh and their service to Yahweh under other factors and sub-factors. The occupation is IN FACT THE CALLING of the man and his house.
- 7.4 COMMUNITY INVOLVEMENT: community affairs, elder in the gate, politics, local, provincial / state, national government involvement. Yahweh's intention is for mature adults to participate in the affairs of the community, this factor relates to this involvement, nature of involvement, commitments, etc
- 7.5 SOCIAL / CULTURAL: social and cultural background and involvement, sports, sports clubs, hobbies, theatre, etc. This relates to all forms of extra-mural social, cultural, athletic, etc activity.
- 7.6 FINANCES AND ASSETS: financial standing, type of car, type of house, possessions, (or lack thereof), etc. The hard issues that are generally regarded as critical in making a selection of marriage partners.

7.7 RELATIONSHIP AND RELATED: Get to know one another, develop relationship, interests, likes and dislikes, assumptions, expectations, what people think, legal requirements, past, quirks, bad habits, acceptance, etc. The soft issues that are generally regarded as critical in a selection of marriage partner - the reason for recommendations of extended "courtship", "dating", lengthy "engagements", date a number of people to decide who is best suited, etc

THE CRITICAL STAGES IN LIFE

These factors theoretically run across both the marriage stages in terms of priorities with regard to making a marriage decision and during the phases of marriage and with regard to life stages - they are, in practical terms, INDEPENDENT OF THE MARRIAGE STAGES since Yahweh has allocated ZERO weight to CSF 7. in most stages of marriages and they are therefore EFFECTIVELY ONLY dependent on the Life Stages. Note that Yahweh has categorically stated that these factors are IRRELEVANT in making a marriage decision in a marriage where He is first and He leads the parties into marriage.

L1 INFANT: up to and including age 5

Development is primarily spiritual and soulish. Satan endeavours to ensure AT LEAST one massive traumatic event before child turns six in order to provide a key for destructive attack for the rest of the persons life through inner vows, soul force objects, deep seated demonic attachment, etc

L2 CHILD: age 6 to puberty.

More intellectual development. Less tendency for Satan to attack.

L3 IMMATURE YOUTH: puberty to fifteen

At puberty, specifically age twelve and a half, child becomes an adult in sight of Yahweh and becomes spiritually accountable for their actions from then on. Girls created to marry at this age, boys relatively immature continue to develop physically toward full adult capacity. Satan tends to attack severely during and after puberty, particularly in terms of sexuality of women, currently about one third of women lose their virginity between puberty and age 14, one third age 15 to 17 and balance may keep virginity till marriage but be highly sexually inhibited as a consequence.

L4 MATURE YOUTH: sixteen to nineteen

By age 16 personality is largely formed, girls who have not married have become so strong willed and deceived by modern false doctrines that they are incapable of marrying successfully from about age 16 to about age 24

Young men who are VERY spiritually mature, such as David, MAY be ready to marry at this age, most will be becoming sexually aware but are NOT mature enough to provide viable spiritual coverage and headship for a woman. Learning effective masturbation techniques will be a requirement for most men and women

who are not married, particularly in the later years of this stage (men), earlier for women.

Fornication becomes established in a very large number of people this age and frigidity and related sexual perversions in the opposite direction become entrenched in many others.

Wrong doctrines of the church and society come into massive conflict with the internal programming of people this age and rebellion is widespread and frequently becomes entrenched for life.

L5 YOUNG ADULT: twenty to twenty nine
Scripturally the male should be in training to take over the fathers business and the woman should have established herself as a wife and be learning to take over all aspects of running the family home from her mother-in-law

L6 FUNCTIONAL ADULT: thirty to forty nine
Fully functional as adults. Man running the family enterprise, ministry, etc. Woman running the family home with mother-in-law assisting with education and raising of children.

L7 ELDER: fifty upward
Family enterprise handed over to the eldest son and running of family home handed over to wives of eldest son.

Father is an elder in the gate involved in civic affairs, government, judging, etc. Mother is involved in community affairs and also in the home, etc

7..... WHAT ARE THE CRITICAL SUCCESS FACTORS FOR CORPORATE COVENANT LEADERSHIP

1 YAH FIRST (HEART, MIND, SOUL AND STRENGTH): all are believers, accept Yahweh as supreme and final authority, by His Word and by His Spirit

2 YAH LEADS (EVERY MICRO SECOND IN EVERYTHING): Seek a clear sign. Yahweh ALONE decides if the organization should exist, what it's purpose is and who is to lead and who to staff it. It is His decision. He knows all there is to know about the parties and He is NOT surprised by their sins, their errors, their past, etc. Let Him guide approach, discussion, etc.

3 COVENANT IS SPIRITUAL AND SACRED: Covenant is the essence of ANY relationship. Full recognition of the terms of covenant, leader covers ALL sins of followers in submission to him, accepts overall spiritual responsibility for direction and provision, all recognize that covenant always carries a blessing AND a curse and covenant is not entered into lightly. Blessing AND curse must be clearly stipulated up front. Blessing includes terms of employment, remuneration, perks, etc. Curse includes dismissal, action to recover damages, spiritual curses invoked

for betrayal, etc. Must be explicitly defined BEFORE entering into covenant, CANNOT be revoked or changed except by mutual consent of BOTH / ALL parties.

Covenant consummated before Yahweh by partaking of the bread and wine representing the body and blood of Yahshua, the basis of the ETERNAL covenant for believers. May be associated with immersion in water and immersion in the Holy Spirit. The terms of the covenant must be regularly rehearsed in associati

- 4 ONE MAN IS HEAD (LEADS AND GIVES DIRECTION FROM YAHWEH AND IS ACCOUNTABLE TO YAHWEH): Only one man can lead and must seek guidance from Yahweh, conform to pattern given by Yahshua, Moses, David, Daniel and others. Unconditional chesed {love} for followers, lay down his life, accountable and responsible for ALL sin of his house by followers in submission, responsible for leadership, doctrine, overall provision, direction, prophet, priest and king (judge). May delegate as Yahweh leads BUT has final accountability.
- 5 FOLLOWERS IN PERFECT HARMONY WITH LEADER: Submit to leader in everything, actively support, reverence and chesed {love} unconditionally, adapt to and conform to leader, not responsible for leaders sin, will be judged in terms of submission, reverence, support, chesed for leader, especially 100% support and commitment, no matter what. Build the house, promote leader spiritually through intercession, etc. Refer followers of David and Yahshua as best Scriptural examples. Unify the house, work together as team in a partnership led by Yahweh through leader. Sing same song as leader from same song book, to same tune, by same orchestra, in same key - perfect harmony!
- 6 HOLINESS AND SANCTIFICATION (SET APARTNESS): Systematic and comprehensive sanctification and spiritual cleansing of all 'baggage' i.e. one flesh bonds, soul ties, wrong promises, soul force, inner vows, wrong teaching, hardening of heart, deliverance from demons, etc. Commence on day enter into covenant. Eight day initial induction and sanctification process. Thereafter continuing sanctification, cleansing, healing, etc as necessary to eliminate all past spiritual, emotional, psychological and other hurts, contamination, etc. Complete spiritual healing. Includes basic organizational principles, doctrines, etc.

Further six days of induction in terms of organizational culture, principles, doctrines, etc. Fourteen days total initial sanctification, induction and orientation. Ongoing sanctification throughout life.
- 7 OTHER (JOB DESCRIPTION, WORK AT HAND, FUNCTIONS, FINANCES, RELATIONSHIP, ETC): Technical and soft knowledge, functional job descriptions, get to know one another, develop relationship, social background, hobbies, interests, likes and dislikes, assumptions, expectations, what people think, past, quirks, bad habits, finances, house, cars, possessions, acceptance, etc, etc
